- Hindi
- Gujarati

PROFESSIONAL SUMMARY

As a recent BCA graduate with a strong focus on **Python and JavaScript**, I am eager to kickstart my career as an **Odoo Software Developer**. With a passion for taking on challenges and responsibilities, I am ready to contribute to innovative teams and continuously learn in a dynamic environment.

WORK EXPERIENCE

- **Web Development Intern** | CodSoft | May 2024 - June 2024
  - In this virtual summer internship, I have applied my web development skills and gained hands-on knowledge.

EDUCATION

- Bachelor of Computer Application - 9.60 CGPA
  - Indus University
  - June 2021 - May 2024
- 12th - HSC, Gujarat Board
  - Saint Mary's Higher Secondary School, Veraval
  - May 2021
- 10th - SSC, Gujarat Board
  - Saint Mary's Higher Secondary School, Veraval
  - March 2019

PROJECTS

- Hotel Management System
  - Developed a hotel management system using **Python** and **PostgreSQL**. Implementing CRUD operations for hotels.
  - Created features to sort hotels by name, rating, and room availability.
  - Utilized Python's match statement for efficient menu navigation.
  - Ensured data integrity through parameterized SQL queries and transaction management.
  - Developed a CLI for user-friendly interaction.
  - GitHub Repository: Hotel Management System

CERTIFICATIONS

- Git & GitHub Bootcamp - LetsUpgrade
- JavaScript Bootcamp - LetsUpgrade
- Python Bootcamp - LetsUpgrade
- React - LetsUpgrade

ACHIEVEMENTS

- Awarded as Joint-President, at ACSIT, 2023
- Awarded as Advisory Member, at ACSIT, 2024
